How to Divert a BT phone to Factotum

To divert your calls to Factotum, simply follow the instructions below

To divert when ENGAGED dial;

67 (your factotum divert number) #

To cancel dial #67#

Note: *67* can be left on permanently to ensure that a caller never receives an engaged tone.

*(Example- *67*01638576400#)*

To divert calls UNANSWERED after 15 seconds dial;

61 (your factotum divert number) #

To cancel dial #61#

Note: *61* can be left on permanently to ensure that calls are divert in unanswered for 11 rings.

To divert ALL calls dial;

21 (your factotum divert number) #

To cancel dial #21#

Note: *21* overrides *67* & *61*, however when it is cancelled *67* & *61* remain active.

Remember, you can divert any phone to Factotum.
